

Kroger Community Rewards – It's free & easy!

Kroger Community Rewards program allows a percentage of your grocery purchases to go to PCMB. Of the amount coming to PCMB, 75% is applied to your member account and 25% is applied to the general fund! It is easy for PCMB Members to raise funds! The program is attached to your Kroger Plus Card (which you have to use anyways to get the sale!). To begin earning benefits to your PCMB account simply follow the instructions below to register your card & attach it to PCMB. No extra effort & no money out of your pocket – What could be better?!

If you ask friends and family to sign up to support you and PCMB, make sure you send an email to Lisa Swales (swales.lisa@yahoo.com). She will need the name of your friend/family member & their Kroger card number in order to connect the rewards with your band account.

Registering with Kroger:

1. If you don't already have one, obtain a Kroger Plus Card from a Kroger store.
2. Go to the www.KrogerCommunityRewards.com website.
3. Create an online account. Your email will be the user id. They will send a confirmation email and that you respond to in order to activate your account.
4. Fill in your Kroger Plus Card Number.
5. Fill in PCMB's organization by searching for Plymouth. (Our number is **82617**)
6. *Be sure to check the radio button in front of our organization "Plymouth Canton Music Booster".*

We thank you for your support!

Any Questions about Kroger Fundraising can be directed to Lisa Swales at swales.lisa@yahoo.com or Karen Richter at krichter@wowway.com
