

GLI Volunteer Overview

What is GLI?

Our marching band musicians and color guard along with marching bands of other high schools in our area compete in several Michigan Competing Band Association (**MCBA**) sanctioned marching band contests. These contests are held on the weekends throughout the fall and are hosted by our peer high schools. These competitions provide the area marching bands with the opportunity to perform and be judged on their respective shows, and at the same time provide each hosting high school with the means to generate revenue.

GLI stands for "Great Lakes Invitational" and is the competition sponsored by the Plymouth Canton Music Boosters. Not only does GLI offer area bands a venue for performance, it is one of our primary fundraisers. Income is obtained from participation fees, ticket sales, paid advertisements in our program book, sale of the program book, 50-50 raffle ticket sales, and lunch and snack food sales.

Volunteers make this event a success by selling advertisements (business and personal ads), generating the program, directing the marching band vehicles (buses and trucks), greeting the public (security), selling tickets, selling programs and 50-50 raffle tickets, preparing and selling food, manning equipment gates, chaperoning the visiting bands from practice area to the performing field, running scores, videotaping the performances, announcing the show, attending to the MCBA judge's transportation, lodging and food needs, etc..

Thank you in advance for helping us maintain such a high quality program.

Please check the volunteer roster on <http://www.pcmb.net> which is posted a few weeks prior to the event. If you have not already volunteered please consider one of the positions that is open and sign up with the Chairperson in your desired area.
