

Dear Marching Band Member and Parents:

Plymouth-Canton Music Boosters (PCMB), along with the Community and Corporate Outreach Program (CCOP) exist for the purpose of promoting and supporting the Plymouth-Canton Community Schools band programs (curricular as well as extra-curricular). CCOP is a committee that seeks funds for the boosters from corporate companies and the community (friends, neighbors, and family). We work in cooperation with district-wide staff to help provide an enriching experience for every student, in all grades, that participates in one or more of the band programs. These extra-curricular programs are supported by PCMB and funded almost entirely through fundraising efforts and member participation fees.

We need your help and ask that you please contact 5 or more of your friends, neighbors, and family members to make a donation to the general fund as an investment in these students. Their gift will assist with expenses such as uniforms, instruments and repairs, contest fees, and transportation for all PCEP Band Programs.

Please use the attached donation request forms as it provides more information regarding the different sponsorship levels. Your help is very much appreciated, and will do so much for all of the students in the PCEP band programs.

Sincerely,

PCMB and CCOP

Dear \_\_\_\_\_,

Will you help my band program with a donation, as an investment in myself and my friends? Your gift will help with expenses such as uniforms, instruments and repairs, contest fees, and transportation for groups such as the School Band Program, Marching Band, Jazz Band, Winter Percussion, and Winter Guard.

In return for your investment, PCMB will add your name as a donor to all of the music concert programs all year long. Please also note the different sponsorship levels in the chart below
